## This week...

Welcome back, and Happy New Year! I hope all families had a happy Christmas and enjoyed the school holiday.

Teachers in Years 1 to 6 have started the year with one to one mentoring sessions with each child, reviewing children's progress towards targets discussed with you at parents' evenings last term, and setting new targets for the next five weeks. We will review these with you and your children at our next parents' evening meetings.

Now we have our new website up and running, we will no longer be sending home a paper copy of each class's Big Picture overview of the half term's learning. These will be uploaded to the website early next week. Find it by visiting [www.scsj.rbkc.sch.uk](http://www.scsj.rbkc.sch.uk) - click on the SCHOOL LIFE tab, and then the name of your child's class.

Have a great weekend.

*Sue Hussey  
Headteacher*

Attendance to date: 95.6%  
This is decreasing and is below our target to meet national average.

This term in our assemblies, we are going to consider different aspects of bravery. William Shedd was an American clergyman who said the following:

A ship is safe in harbour, but that's not what ships are for.

*Talk to your children about what this metaphor means, and how it could apply to them.*
