Compassion - Creativity - Forgiveness - Thankfulness - Friendship - Excellence

“Love is patient. Love is kind.” 1 Corinthians 13

Farewell Year 6!

Goodbye and good luck Year 6

We are very proud of our lovely Y6 children who are now ready to move on to secondary school. We wish you all love and success in the future and hope you will visit us and tell us about your future careers, university places and many achievements.

Google classrooms All our virtual classrooms will be closed online during the summer holiday.

Nursery places We still have a couple of spaces in our Nursery for next academic year. Anyone whose child turns 4, next year, can apply, so please pass this on to families you think might be interested.

Returning to School in September

According to the latest guidance from the Government, we are expecting to have **all children back on Monday 7th September** (please note that for families with children starting in Nursery and Reception, you will be notified separately for your start date). Details including exact start and finish times of the day will be announced, along with other information, during the last week of the holiday so please make sure you check emails and the school's website regularly towards the end of August.

We are also very hopeful that breakfast club and after school play will start as usual too.

We hope that everyone manages to have a good summer break. We have missed the children so much but are really looking forward to seeing everyone again at the start of next term.

A final thank you to all the parents who have been supporting their children during this lockdown period. Make sure you all have a well deserved rest now - (but keep reading of course!)
