## This week...

Science Week has been extremely busy! We kicked off on Monday with a visit to Nursery and Reception from Rent-a-Beast: the children were fascinated to see stick insects, leaf insects, millipedes, giant snails, and even a scorpion and a tarantula. Years 3 and 4 visited the Science Museum and IMAX the same day, to see film taken from the International Space Station and try out activities in the Wonderlab. Years 1 and 2 visited the London Aquarium on Thursday; Year 5 and 6 took part in a polar expedition project; each class carried out different investigations; and we end the week today with our annual Science Fair in the hall. I hope parents enjoy looking at the exhibits children have prepared at home. Thank you to Miss Namih for planning all the activities this week.

Years 4, 5 and 6 also visited Hampton Court Palace on Tuesday. I can't remember us having so many trips in one week before.

I hope you all received the letter home about our Sport Relief fund-raising activities on 23 March. We plan to do a sponsored mile/half mile - please help your children to collect sponsors from family and friends. Look out for the posters appearing soon.

Have a great weekend.

Please make sure you return the summer term after school clubs form to the school office by **9AM, TUESDAY 20 MARCH**. Notification of a place will be given on Friday 23 March.

Warning: forthcoming roadworks.

Penzance Place, outside the school: w/c 19 March, 3 April, 9 April

Darnley Terrace junction with St Ann's Road: w/c 9 April for 4 weeks

St James's Gardens (north): w/c 30 April for 4 weeks

Why don't you take this opportunity to walk to school?

Another very busy week at SCSJ

Valerian Etienne, our new part-time Site Manager, started at the school a couple of weeks ago. I am sure you will get to meet Valerian in the playground at the start of the day.

Spotted looking smart this week...
