Newsletter - Friday 9 March 2018

This week...

We enjoyed a lovely assembly from Year 1 this week, who shared what they have been learning about London in a very entertaining way - we loved their acting and their costumes.

Next week is Science Week. Please do encourage your children to enter a project or exhibit for the Science Fair on Friday 16 March. Our theme is Exploration and Discovery, which gives a very wide scope. Prizes will be awarded and parents are warmly invited to come and enjoy the Fair from 2:30-4:00pm. We also have trips, visitors, special investigations and a KS2 Science Quiz during the week.

Sport Relief is coming up soon, and we are joining with lots of other schools in taking part in a sponsored mile (half mile for younger children) on Friday 23 March. Details will be coming home shortly.

Have a great weekend.
