This week...

Well done to Year 2! They have won the first governors' termly award for most improved attendance. Last year in Year 1, the class attendance was 94.3% - below expectation. It is now 96.6%, an increase of more than 2%. This is great news - keep it up Year 2!

As a once-only reward for fabulous class attendance, we have also congratulated Year 6 this week. Their attendance of 98.4% this term is excellent, and a wonderful example to the rest of the school. These two classes were rewarded with a cinema trip this week. Next term's reward will be different - and every class has a chance to win.

Reception presented an ambitious assembly this week about Noah's Ark. The children had worked really hard to practise their lines and songs, and made some lovely masks and props to use. Well done Reception!

Ten children from Year 5 and Year 6 visited Bevington school yesterday, to take part in a Maths competition with other schools. They had to complete a speed skills test, and to solve a logic problem. One of our two teams came joint second - well done to them, and congratulations to all for representing us so well.

Have a great weekend.

We still have some containers that haven't been collected after the cake sale. They are in the school office. Please come and collect them if they are yours - thank you.

We are in short supply of spare socks. If you have any spare pairs (all sizes) we would appreciate them please.
