## Potential Summer holiday play provision

The local authority is hoping to provide some provision for children to attend holiday clubs where they can safely play during the summer holiday.

We have done our best to ensure our pupils have continued with their learning during the lockdown period. However, we are also aware that the children have suffered socially and emotionally from not being able to see their friends as much or simply being outside and playing as easily.

If you are interested in your child attending the summer holiday play clubs, please register your interest by contacting school as soon as possible and by **Friday 26th June at the latest.**

We don't have all the details as yet, but play settings will hopefully be local to St Clement & St James CE School. **Parents must register their interest** as this will help the providers to plan accordingly.

Details will appear in the newsletter in due course. Please contact school if you think this is something you would like your child to access, particularly as we are seeing the lockdown and social distancing guidelines eased.

This sounds like a great opportunity for the children.

With best wishes

Ellie Dowthwaite
