## This week...

This week, we held a Bring and Share supper after school on Wednesday; thank you to those parents who came along and brought a delicious dish to share. Despite the showers earlier in the day, and the wind doing its best to blow away our plates and the origami activities Mrs Dunkley challenged us with, we all enjoyed it! Next time we'll try and choose a warmer evening!

KS2 children have spent the day at a sports event at Westway, organised by Fit for Sport (who lead some of our PE lessons). We jumped at this opportunity to take part; I hope it makes up a little bit for having our KS2 sports day booking cancelled at the last minute last term by Westway, because of events beyond their control. There is a picture overleaf, with more to follow next week.

Next week we will hold our Years 1 to 6 Meet the Teacher meetings. This is where you have the chance to meet your child's new class teacher (if you haven't done so already), find out what they are learning this term, and all the organisational things you need to know (PE days etc). All classes will be holding these at 3:45pm on Wednesday 20 September, and will be repeating the meeting at 4:05pm for those parents with children in different classes. If you are unable to make the meeting, and would like to chat to your child's new teacher, please feel free to make an appointment to see them.

Year 6's meeting will include secondary transfer information, and will be held **once only at 3:45pm**, so please do come along to ask any questions you may have about the process of applying to secondary schools.

Have a great weekend.

Make sure your child is in uniform – including BLACK shoes, sandals or trainers.

No jewellery please, apart from simple studs or small hoop earrings (if the hoop is bigger than your little finger, it's too big).

School starts at **8:55am**; children should be here and ready to line up when the bell goes, so we can start classes on time.
